

2009 – 2010 Arlington Dart League All Star Rematch

Hi All,

In the first week of February, the Arlington Dart League traveled to Hoboken to take on the All Stars of the Hoboken Dart Players Association ([HDKPA](#)). After some hard fought matches, the Arlington Dart League lost the challenge for the first time in league history. Many of the players, from both sides, have requested a rematch. It's on!

The match is scheduled for **1PM, Saturday, March 13th** at the North Arlington Elks Lodge. The top eight players will be selected to represent teams from the A, & C conferences. The B conference will have 16 players, which will be divided into two teams.

Following the All Star match, there will be a "Luck of the Draw" tournament open to all players and guests. The **LOD will begin at 5 PM.**

Captains will be selected in the upcoming week. If anyone is interested in being a captain or co-captain, or would like to assist running the event, please contact me. The captains will be involved in the selection of players for their conferences and ensuring that they can participate on match day.

All members of the Arlington Dart League and their guests are invited to attend the match and enjoy the competition. Past contests were very exciting and evenly matched.
